# MICE

## TRAVEL MARKETS

Comprising four niche travel markets – Meetings, Incentives, Conferences, and Exhibitions – the MICE industry brings people together to achieve business, academic, cultural, and social objectives. The global MICE industry is projected to grow at a compounded annual rate of 7.6% and to exceed USD1.43 trillion in 2025, led by the Asia-Pacific, which is expected to outpace other regions around the world.*

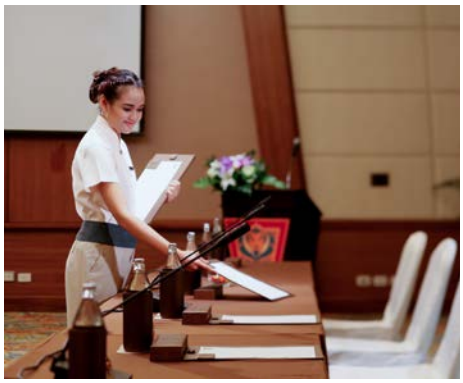
In Asia and the Middle East, Centara Hotels and Resorts is well positioned to meet growing demand for venues that offer an appealing combination of accommodation, facilities, and activities that provide convenience for MICE guests.

*"MICE Industry by Event Type: Global Opportunity Analysis and Industry Forecast, 2018 – 2025", published by Allied Market Research

## MEETINGS

Whether it's an exclusive gathering of senior executives in a boardroom, or an exciting product launch with over 100 in attendance, we offer a variety of spaces to suit a range of specific requirements.

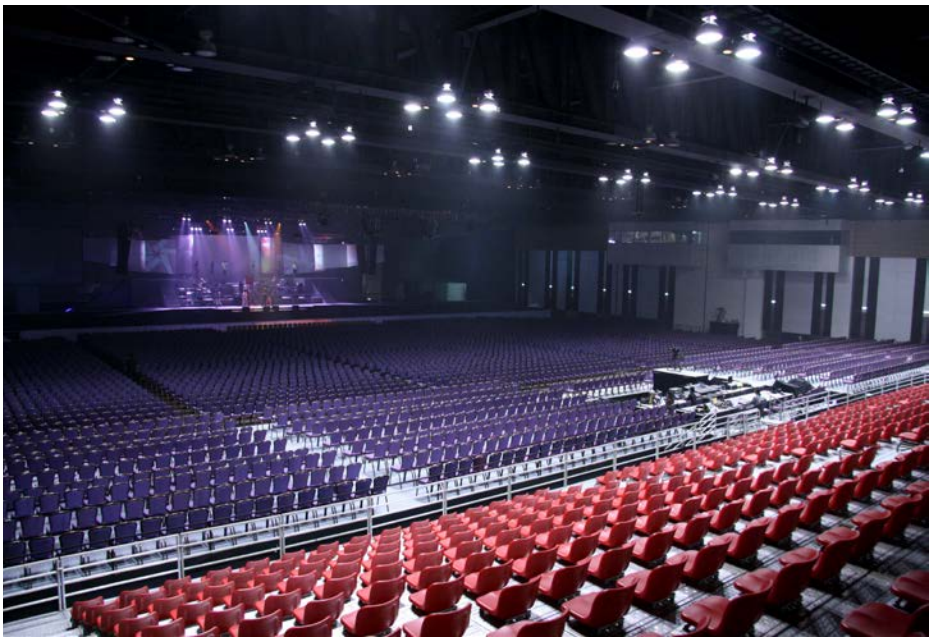
In addition to full meeting facilities, prime locations in each of Centara's respective destinations make our hotels and resorts the ideal choice for companies and organisations looking to bring their people together.



## INCENTIVES

Reward your star team members with a trip to foster teamwork and motivate them to maintain their high performance.

Centara has teamed up with Asia Ability to create a one-stop service for custom team building experiences, ranging from just 10 to unlimited participants. With venues located in a range of engaging destinations that includes Bangkok, Phuket, and Krabi, creative challenges can be designed to make the most of the setting.



## CONFERENCES

Organise meetings and events for attendees in spaces as memorable as their destinations.

As a venue for high profile regional events, the Bangkok Convention Centre Hall at Centara Grand at Central Plaza Ladprao can host up to 3,800 people.

Also in Thailand's exciting capital, cocktail receptions of up to 7,000 guests can be arranged at Centara Grand & Bangkok Convention Centre, directly connected to one of the largest lifestyle and shopping complexes in Southeast Asia.

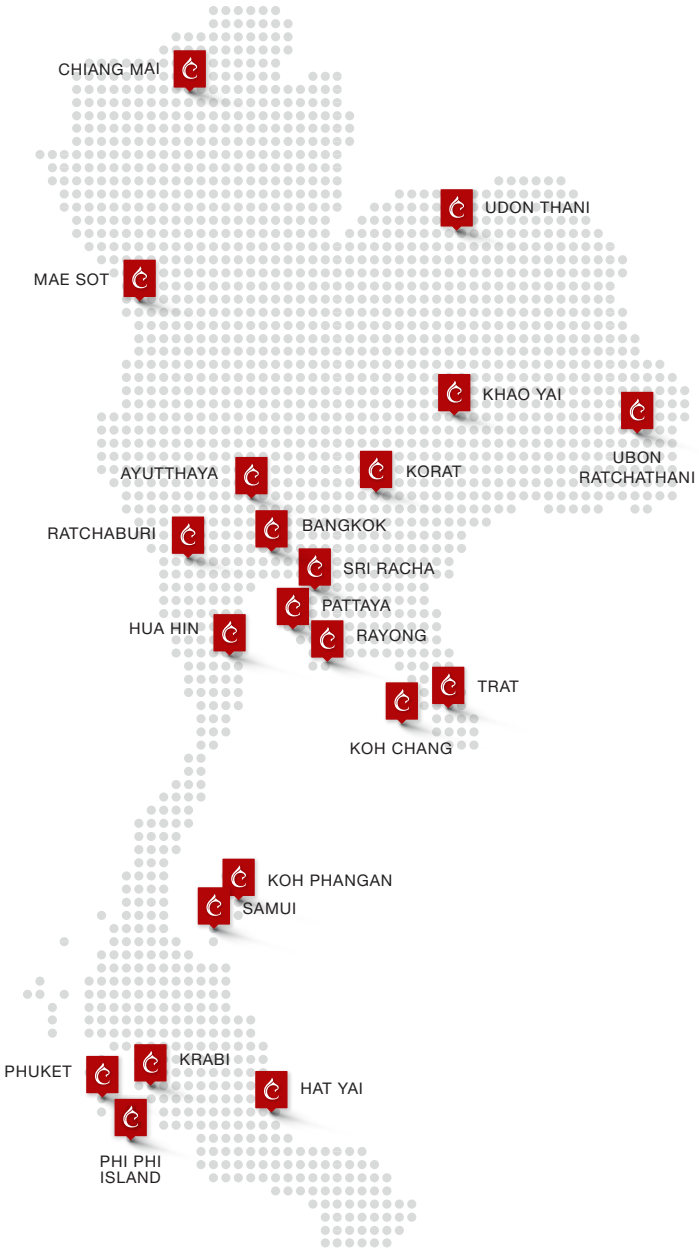
## EXHIBITIONS

Private sector and government organisations trust Centara to host memorable trade and consumer exhibitions in state-of-the-art facilities, serviced by an experienced team of staff.

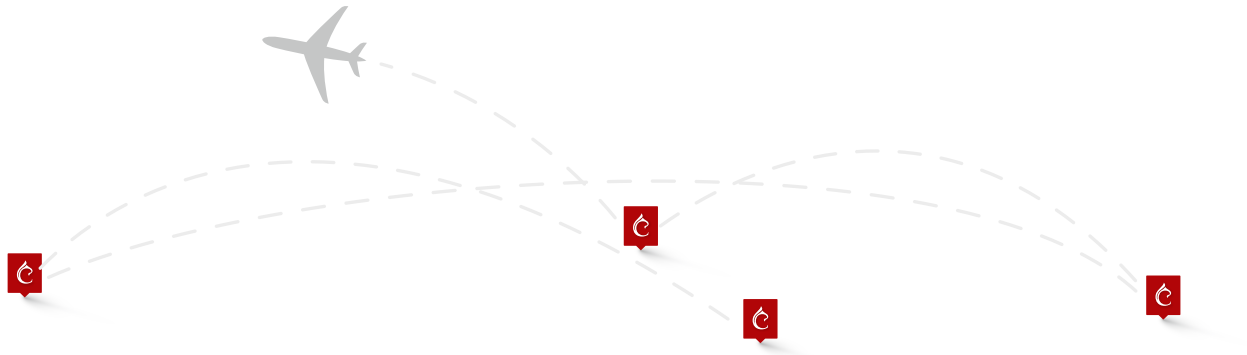
Exhibitions of varying scales can be arranged in dedicated convention halls, either as a standalone event or part of a larger gathering alongside conferences and one-on-one meetings.

Centara's convention centre hotels enjoy attractive prime locations which make exhibitions easily accessible to exhibitors and visitors.

# THE **IDEAL HOST**



*Whether you looking for bustling cities, breathtaking rural locations, or tropical beach getaways, our upscale and upper upscale properties provide a collection of the best venues for hosting events of any scale, with any atmosphere. We have properties located throughout Thailand and in prime destinations in Japan, the Maldives, Oman, Qatar, the United Arab Emirates and Vietnam.*



# IN THE HEART OF **BANGKOK**

*Bangkok is the capital city of Thailand, an exciting modern metropolis in its own right and one of the region's most connected transportation hubs. The city offers a combination of glittering temples, bustling markets, delicious food and fascinating shopping you won't find anywhere else. Add the kingdom's renowned warm hospitality and sophisticated infrastructure – including some of the region's largest conference centres – and it's easy to see why Bangkok is one of the world's most popular city destinations for MICE travellers.*

# SIGHTS & ACTIVITIES

## SIGHTSEEING

Formerly the residence of Thai kings, **the Grand Palace** is an enormous complex surrounded by a white crenelated wall with opulent buildings in classic Thai and European styles. Within the complex is **Wat Phra Kaew,** the Temple of the Emerald Buddha. Adjacent to the Grand Palace, **Wat Pho** houses a giant reclining Buddha and a leading school of traditional massage.

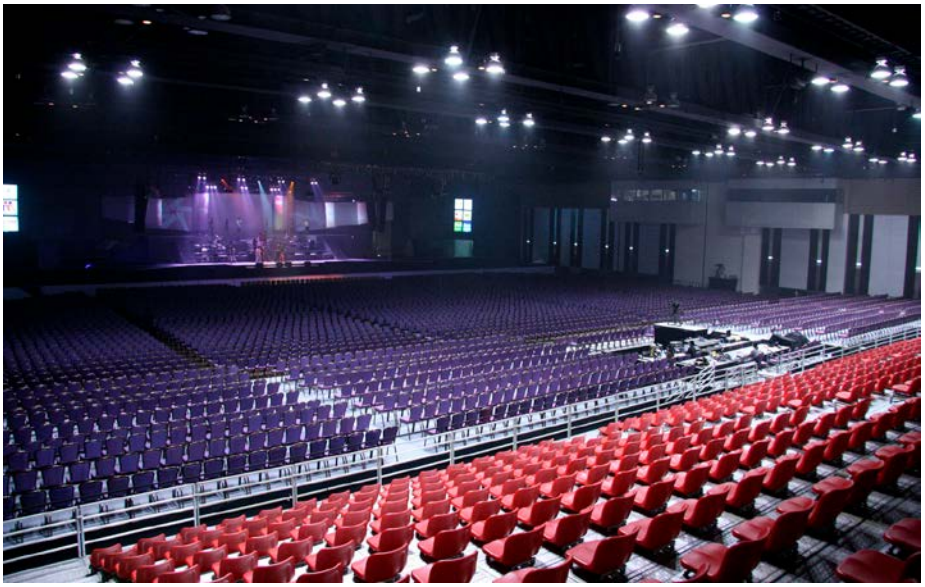
## SHOPPING

**Chatuchak Weekend Market,** one of the largest outdoor markets in the world, has become a must-visit destination for both tourists and locals. You will find everything from locally-made clothing and accessories to handicrafts, antiques, art and much more.

In the central business district are huge modern malls like **CentralwOrld,** plus the **Platinum Fashion Mall** and **Pratunam Market,** two wonderfully chaotic centres for clothes, textiles, shoes, fashion accessories and crafts.

## NIGHTLIFE

**The Chinatown Night Market** on Yaowarat Road is famous for its local street food and retro atmosphere. **Khao San Road,** in the Banglamphu area just a kilometre away from the Grand Palace, is a famous hangout for young tourists. **Asiatique** restored the warehouses of Bangkok's old riverfront; when the sun goes down the colourful lights come on and it becomes a festive labyrinth of shops, entertainment, bars and restaurants.



CENTARA GRAND

& BANGKOK CONVENTION CENTRE AT CENTRALWORLD

# HUA HIN

*Located along the western side of the Gulf of Thailand, this former fishing village became a retreat for Thai aristocracy during the 1920s. The country's first beach resort – Centara Grand Hua Hin, today a lovingly restored luxury hotel and city landmark – was built here, adjacent to the Orient Express line connecting Bangkok to Singapore. Since then, Hua Hin has grown to become a favoured destination for MICE events for its authentic charm but also shopping, hiking, water activities, night markets and world class golf courses just a short drive from Bangkok.*

# SIGHTS & ACTIVITIES

## SIGHTSEEING

Hua Hin's best view is from the top of **Khao Takiab** (Chopstick Mountain) at the southern end of the city. Climb the steps to the top or drive up the back side and you'll be rewarded with a beautiful vista – plus the company of a rambunctious troop of monkeys.

A 45-minute drive south of Hua Hin is **Phraya Nakhon Cave,** accessible by taking a short boat ride, hiking from the beach up a steep hill, then down into an opening in the mountain. On the floor of the cave is a sight you'll never forget: a small temple built for the Thai king over 100 years ago, with jungle vegetation and sunlight spilling through a hole in the cave ceiling.

## ACTIVITIES

Closer to Hua Hin is **Black Mountain Water Park,** a family attraction featuring nine water slides, a wave pool and lazy river. In the hills behind town is the **Hutsadin Elephant Foundation,** where you can learn about Thailand's elephants, see them being cared for, and interact with these magnificent creatures. Also in the hills surrounding Hua Hin are some of Southeast Asia's top-rated golf courses, including the **Banyan Gold Club and Black Mountain Golf Club.**

## NIGHTLIFE

A long street in the centre of town becomes the popular **Hua Hin Night Market** after the sun goes down. Vendors offer street food favourites, clothing, accessories, handicrafts and souvenirs.

The art community showcase their talent at the **Cicada Market,** where you can bargain for paintings, sculptures and home décor while being entertained by comedians and theatre groups.
