PHRA NAKHON

CENTARA LIFE HOTEL BANGKOK PHRA NAKHON Centara Life Hotel Bangkok Phra Nakhon is located in one of Bangkok's most historic districts, offering a perfect mix of old and new. Immerse yourself in the historical sights, sounds and scents of old Bangkok from this comfortable base. With a modern and bright design, the hotel is ideal for family or leisure travellers, providing a wide range of leisure facilities and room choices to suit all needs.

LIVING

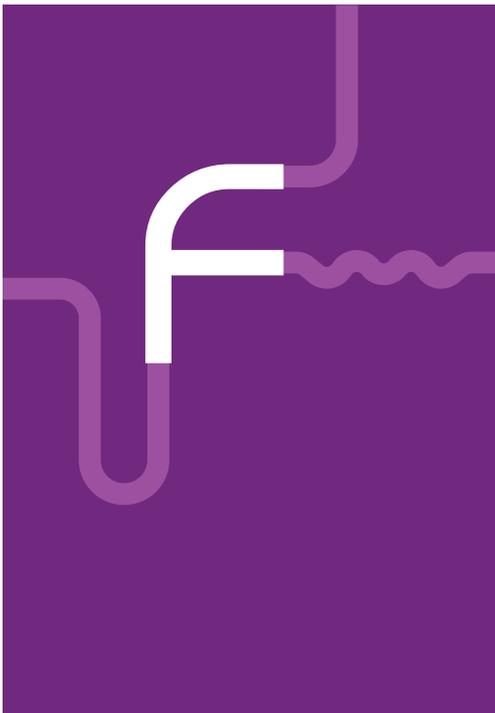

The hotel features 180 rooms and suites across two low-rise buildings built around an inner courtyard. The rooms range in size from 27 to 44 square metres, with select Premium Suites providing a separate living and dining area, perfect for families looking for that extra space and long-stay guests. Interconnecting rooms are available along with wheelchair-accessible rooms, while complimentary Wi-Fi is offered in all rooms and suites.

CHILLING

The hotel features a wide range of facilities including a stunning **outdoor swimming pool**, where parents and kids can relax and cool off after a day of exploring Bangkok. The comprehensive **fitness centre** will also suit those travellers who want to keep in shape while on the road, while the hotel also offers a **tour information desk** to help you organise excursions and activities around the city.

MEETING

The hotel adds a new level of sophistication to business meetings and events. District M, the hotel's meetings and events venue, will add inspiration to your business function with its modern setting and state-of-the-art facilities. The venue can be configured to suit all business needs, from a classroom setup to a glittering dining room for that special banquet. District M is also perfect for a private function, a cocktail party for a special milestone or a celebration for your special occasion.

Conveniently located near bustling Khaosan Road and Sam Yot MRT subway station, the hotel is an ideal launching pad to visit the Grand Palace, Wat Pho, National Museum and Pak Khong Talat flower market along with the nearby historic district's street food and family-run eateries.
